About The Calgary Sketchclub

The Calgary Sketch Club offers members the opportunity to enjoy the camaraderie of other artists as they pursue artistic growth and increase their knowledge of art. Club meetings are currently held on Thursday nights from 7 – 9 p.m. three times each month. Meetings include a variety of programming from visiting artist demos, painting critique sessions, and specific art topics discussions, to name a few. (In light of the current Covid -19 situation, our meetings will be via Zoom for Fall 2020.) Members participate in exhibition opportunities throughout the year both online and in special event shows.

The Calgary Sketch Club provides more in-depth learning opportunities by organizing workshops which run one or two days as needed. These workshops occur intermittently, both in person and online, and are offered at a special rate to our members.

Historically, the Calgary Sketch Club has also organized one week long Fall and Spring Plein Aire Painting Camps. These well attended camps are located within a half day's driving distance from Calgary. Painting directly from nature in scenic locations has been an enduring and popular option for our members.
